

# Air Capital Flyers Soccer Season 2025

Soccer practice will be hosted by Wilbur Middle School. All athletes interested in joining the Air Capital Flyers for Soccer should attend our first scheduled practice on April 1<sup>st</sup>. Those of you who have already completed the required tests and participated last season will practice based on the schedule below. Those of you who are new soccer participants will have 3 different skills tests to complete. After you have completed these tests, you will join the group working on skills for the rest of the evening. This will allow us to better evaluate your skills.

Athletes are allowed to participate/practice in 4 spring sports being offered. However, as State soccer, tennis, and cycling are all held Friday afternoon at the same time. Athletes will need to choose which sport they want to compete in at State.

## Policy Update:

There is only one fee, \$20.00 Participation Registration fee regardless of the number of springs sports you elect to participate in. You can either pay this fee online using the donate button on the Flyers website (www.acflyers.com) or you can bring your payment to practice. Do not mail a check Special Olympics Kansas in Mission Kansas. This policy is not intended to exclude any athlete from this activity because of their inability to pay. Please See Glenn for assistance or questions regarding this matter, as I have worked out payment plans for several athletes.
